8 IN THE UNITED STATES DISTRICT COURT
9 FOR THE NORTHERN DISTRICT OF CALIFORNIA
10

11 SYMANTEC CORPORATION,

No. C 12-00700 SI

12 Plaintiff,

**ORDER GRANTING PLAINTIFF'S
MOTION TO COMPEL**

13 v.

14 VEEAM SOFTWARE CORPORATION,

15 Defendant.
16 _____/

17 Currently before the Court is plaintiff Symantec's request for an order requiring defendant
18 Veeam to make its employee Alexey Vasilyev available for deposition. Docket No. 108. In discovery,
19 Veeam identified Mr. Vasilyev as a "Product Manager" and one of three most knowledgeable people
20 at Veeam regarding the design, research, and development of Veeam's accused products. Veeam has
21 also disclosed Mr. Vasilyev as the Deputy Director of Information Technologies. Symantec contends
22 that Mr. Vasilyev should be produced as a "managing agent" under Rule 30, especially in light of his
23 role as a co-founder and current part owner of Veeam.

24 Veeam opposes producing Mr. Vasilyev for deposition because of the burden of producing him
25 (given that he resides in Russia) and his deposition testimony will be duplicative of three witnesses who
26 Veeam has agreed to produce: Veeam CEO (Ratmir Timashev), CTO (Andrei Baranov) and Product
27 Manager (Anton Gostev). Finally, Veeam contends that Mr. Vasilyev is not a "managing agent" of
28 Veeam and his current role "overseeing R&D work" is simply to "show proof of concept" for new and

1 modified Veeam products at the direction of Messrs. Baranov and Gostev.

2 The Court finds that Mr. Vasilyev should be produced. However, the date for Mr. Vasilyev
3 deposition should be set at least two weeks after the conclusion of the depositions of Messrs. Timashev,
4 Baranov and Gostev. If Veeam contends that Mr. Vasilyev's testimony will still be cumulative after
5 the conclusion of the other depositions, Veeam may seek relief from this Court and will be required to
6 show why Mr. Vasilyev's testimony will be duplicative to testimony already received.

7
8 **IT IS SO ORDERED.**
